Industry Experience

Associate Contracts Manager

PPD Global Limited

Hani has a broad range of experience in drafting and negotiating the terms of various types of contracts required for clinical trial research. He has worked with globally operating entities to prepare agreements for many large, multi-center international clinical studies.

EXPERIENCE

PPD Global Limited, a global CRO

Associate Contracts Manager

- Drafted and negotiated template-based clinical trial agreements for use globally across all regions
- Ensured legal compliance and quality in clinical trial agreements globally for PPD's clients
- Member of project management teams responsible for initial launching activities of multi-national clinical trials

RECENT CLIENT WORK

- Providing support to Actelion Pharmaceuticals, Ltd. for multi-center observational clinical trial across EMEA and APAC, with simultaneous support of a large Phase 2 multi-center clinical trial across EMEA and APAC
- Assisting Oncorus, Inc. in entering pre-clinical testing of candidate molecules, providing practical commercial advice during negotiations with larger scale service providers of invitro testing
- Providing advice on Investigator Sponsored Research for clients providing either or both funding and investigational product, as well as projects involving third party collaborators. Investigator Sponsored Research has involved academic medical institutions across Europe and the US
- Deciphera Pharmaceuticals, LLC, providing support across first multi-center Phase 1 and Phase 3 clinical trials in NA, EMEA, APAC and Latin America, including services agreements with international vendors

Education

- University of Kent,
Bachelor of Laws with Honours

Languages

- Spanish
- Arabic

- Master Clinical Trial Agreement update project on behalf of Millennium Pharmaceuticals, Inc., across 20 US academic and private medical institutions

COMMUNITY

Hani donates his time to the Free Representation Unit, giving free advice to members of the public in regard to employment issues. He also provides pro bono representation before employment tribunals.
