Industry Experience

Senior Contract Manager

Kintai Therapeutics, Inc.

Associate Contract Manager

Momenta Pharmaceuticals, Inc.

Katisha brings extensive in-house experience to her contracting work with Faber's biopharma industry clients. A thoughtful negotiator, she has drafted, negotiated and administered a wide range of template-based agreements in support of R&D operations, including but not limited to, master services agreements, consulting agreements, and confidential disclosure agreements. Katisha also supports contracting in connection with global clinical studies.
