

Brian M. Connelly

OF COUNSEL

781 795 4707 direct

brian.connelly@faberlawgroup.com

Industry Experience

Chief Operating Officer

IncreVet, Inc.

Associate General Counsel

IDEXX Laboratories, Inc.

Senior Manager for Business Development

IDEXX Laboratories, Inc.

Brian's knowledge and experience bridges the gap between business and law. After graduating from the George Washington University School of Law, he studied finance and accounting at the London School of Economics. His diverse background makes him a valuable partner for the firm and our clients. Brian spent 10 years at Faber before co-founding IncreVet, Inc., but he maintains his deep connection with the firm and clients within the biopharmaceutical industry who are forming companies, seeking financing, acquiring or disposing of assets, and creating supply and distribution arrangements.

In addition, Brian frequently counsels clients on their real estate activities, including leases for specialized laboratory space. He has drafted and negotiated office space and laboratory leases in major life sciences markets across the United States, including Greater Boston/Cambridge, Philadelphia, Raleigh, and Seattle.

Bar Admissions

- Maine
- Massachusetts
- New Hampshire

Education

- The George Washington University Law School, J.D.
