Industry Experience

Contracts Manager

Albany Molecular Research, Inc.

Graduate Assistant

The Research Foundation for the State University of New York

Faber's clients benefit from Kori's fifteen plus years of experience in the pharmaceutical and biotechnology industries. She assists clients with contractual management for all types of clinical studies and works closely with both the client and clinical sites to ensure efficient contract review and negotiation.

Specifically, Kori assists clients with drafting and negotiating service, consulting and related agreements for preclinical development and clinical studies. She also helps clients prepare and manage agreements for US based and multi-national clinical trials, including CRO, vendor agreements and site clinical trial agreements.

Education

- Brandeis University, B.A., *cum laude*

EXPERIENCE

Albany Molecular Research, Inc. (AMRI)

Contracts Manager

- Responsible for agreements involving outsourced drug discovery and commercial manufacture of API
- Worked with AMRI's international subsidiaries on corporate governance and compliance
- While a member of AMRI's business development group, focused on proposal drafting and review, marketing and submissions for governmental contracts

Kori was previously employed at a bankruptcy law firm and as a field and laboratory supervisor on archaeological research projects in upstate New York and Central Mexico.

Kori completed doctorate level course work in Anthropology at the University at Albany, State University of New York, where she was awarded a graduate assistantship in research and teaching within the department.

RECENT CLIENT WORK

- Multiple clinical trials sponsored by Deciphera Pharmaceuticals, LLC including multinational Phase 3 trial involving 100 sites in North America, Europe, Asia and Australia
- Phase 3 clinical trial sponsored by Portola Pharmaceuticals, Inc. involving approximately 350 subjects across 60 sites in the US, Canada, Europe and Japan
- Phase 4 study sponsored by Portola Pharmaceuticals, Inc. involving 100 sites in North America, Europe and Asia

COMMUNITY

Kori volunteers and serves on various committees at Schultz's Guest House, a 501c3 dog rescue shelter in Dedham, MA that rescues, rehabilitates and finds homes for homeless dogs. She is also a certified member of the International Association for Contract and Commercial Management, as well as a member of the Drug Information Association and Model Agreement and Guidelines International.
